

Charity Ball

COMMEMORATING 10 YEARS OF OPERATIONS

Friday 17th October 2014 at The Dorchester, Park Lane.

Household Cavalry Foundation is proud to announce the details of the 2014 Charity Ball.

Each year the Dorchester hosts a high profile charity black tie event, on behalf of the Household Cavalry Foundation, which is the main annual fundraising event of the year. Last year the event was centred around Fashion and raised over £83,000 for the charity beneficiaries; Soldiers, Casualties, Veterans, Horses and Heritage.

This year's event commemorates the Regiments return from 10 consecutive years of Operations including Bosnia, Iraq and Afghanistan. The event will show case exclusive behind the scenes footage and photography taken by the soldiers whilst on tour, outlining the role the Regiment take outside of the renowned, London-based Ceremonial duties.

Laurent Perrier is sponsoring the drinks reception ahead of a superb three course, Officers Mess themed dinner.

Ronnie Scott's are the entertainment partner for the evening, providing a 12 piece band to the mix, made up of 6 horns, piano/keys, bass, drums, guitar with two singers.

Lord Archer will return as the auctioneer and is devilishly keen to beat his previous year's record and ensure the auction raises as many donations as possible for the Foundation.

The auction is more exciting than ever boasting luxury holidays at the Coral Reef Club in Barbados, a week at Forter Castle in Scotland, to a week on the glamorous Amalfi coast, experiences at various Michelin starred restaurants, VIP sports tickets to the opportunities to bid for an iconic sculpture by Eleanor Cardozo.
